

Film Screening at the American Corner Jessore

May 13-14, 2009: American Corner Jessore hosted two film screenings for its members, students, local journalist and for staff from the Jessore Air Force academy. The two movies are American feature film “Air Force One” and the OBS movie “African American Lives.” A lively discussion held after each movie. Dr. Mostafizur Rahman, one of the local notables was present during movie show and participated in discussion.

OBS documentary “African-American Lives” was screened at American Corner Jessore on May 14
